INVESTIGATING MEDIUMS (PAPERBACK)

[DOWNLOAD](#)

Blurb, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.For the first time all in one place, Investigating Mediums features Dr. Julie Beischel s three books previously only available electronically: Among Mediums: A Scientist s Quest for Answers (an accessible, bite-sized review of her journey and the answers she discovered along the way), Meaningful Messages: Making the Most of Your Mediumship Reading (which provides 10 helpful hints to keep in mind as you prepare for, experience, and reflect on a reading from a medium), and From the Mouths of Mediums Vol. 1: Experiencing Communication (where 13 credentialed mediums discuss how they experience communication from the deceased, suggestions for how you can experience communication, and why it might be that you have not heard from your loved one). In addition, Investigating Mediums includes articles by Dr. Beischel discussing: mediums views about the afterlife; grief and mediumship; our deceased animal loved ones; and the three mediumship research programs at the Windbridge Institute. Dr. Julie Beischel, Director of Research at the Windbridge Institute, forfeited a potentially lucrative career in the pharmaceutical industry to pursue rigorous scientific research with psychic mediums full-time. More than a decade later, she is considered a world leader in her field. Beischel is to be congratulated for her dedication to understanding a type of human experience that, for largely ideological reasons, science as a whole has shunned. -Robert McLuhan, author of *Randi s Prize*, *What Sceptics Say about the Paranormal*, *Why They Are Wrong* and *Why It Matters* Dr. Julie Beischel is a courageous, innovative pioneer who has brought immense respectability to a controversial area. -Larry Dossey, MD, author of *One Mind*.
