His death at the age of 32 spelled the end of that unity. The story of Alexander's conquest of the Persian empire is known to many readers, but the dramatic & consequential saga of the empire's collapse remains virtually untold. It is a tale of loss that begins w/ the greatest loss of all, the death of the Macedonian king who had held the empire together. With his demise, it was as if the sun had disappeared from the solar system, as if planets & moons began to spin crazily in new directions, crashing into one another w/ unimaginable...
