Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When my parents split up I started drawing pictures of gravestones in a church near my dad s (I know it is weird, get over it), and here is where I met Beth. But I soon found that Beth was no ordinary girl, but she was in fact a ghost. I am not talking creepy ghost, the kind that puts a curse on you, but just an ordinary person really. I soon learned she was being chased by some nasty piece of work, and I soon realised there was only me who would be able to help her. Not only was I going to try to save her from her hunter, but also try to help her move on, go into the light, and all that. Not much to ask, seeing as I was a teenager, was it! In the process I would learn that the unknown was pretty clear, and that some men can be more evil than anything conjured up by the wildest of imaginations. So. I met a Ghost is a sometimes creepy, sometimes funny short novel for young adults by author Paul McAvoy. A page-turner. you will not want to draw breath until the last page is read.
