Brand New Book ***** Print on Demand *****.The much needed book Teaching English in Korea - The Party s Over gives a voice to the sentiment felt by many if not most of those working in the English teaching industry in Korea. The book focuses primarily on what draws most people to Korea to teach, and what keeps most people signing contract after contract - MONEY. Graham Alexander explores whether teaching English in Korea is as good as it used to be and asks whether it will get any better in future? With an eye on the present circumstances in Korea, the book examines the very fabric of the society in which YOU the foreigner, YOU the waygook live. It is a book that doesn t pull any punches and examines the economic, social, technological and generational situation from an unemotional standpoint. Korea is a wonderful country that is full of fascination, intrigue, cultural wonders and amazing people and Graham Alexander acknowledges this but keeps these distractions away from his analysis. While he openly admits that some of the information may shock readers, this book has been written to illicit responses from the ESL community and generate discussion on this very important topic. Many people come to Korea with a lust for travel but stay for year after year and this becomes a habit. The reader s focus is repeatedly trained on the very real threats to: standard of living job quality and prospects economic viability of Korea the growth of technology The simple question of Should I stay or should I go? Is approached from these and many other different angles Having spent over twelve years on the peninsula teaching in Seoul, Gyeonggi-do and...
