Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Jack Stevens is trying to make it as a screenwriter in Hollywood, a town that goes through writers like cheap paper towels. He barely gets by working a Beverly Hills art gallery and spends most of his personal time breaking up with his girlfriend. Dora Alvarez is trying to launch her jewelry and lingerie business. From the money she saves waiting tables at the trendy French-Japanese restaurant, Le Tentacle, she figures she'll open shop sometime around the next ice age, which she swears will be way before she gets involved in another monogamous relationship. When two of the least respected Gods of Los Angeles, Love and Romance, reroute Jack and Dora onto the bumpy five-lane freeway to love, the car-stressed lovers find themselves put to the test. They'll contend with a vengeful ex-girlfriend, a dominatrix boss, an irresistible TV star, an egomaniacal TV producer, Hollywood backstabbing, and the greatest obstacles of all: themselves! A fanciful, funny, poignant, passionate, kinky, sexy romantic comedy set in Los Angeles, where even gods are only as good as their last gig.
