The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 10 books include characters that express emotions and stories with more events. Non-fiction titles introduce terms that might be new to many children. Level 10 books continue to use single spacing and more high-frequency words appear without vowel markings to help the students get used to the traditional norms of printed Arabic. Prince Mimo is upset - he wants the moon. So the King and Queen send their servants, Grim and Misery, out to catch the moon for him, with hilarious consequences. This charming story by award-winning author Mal Peat and Elspeth Graham is illustrated by Xiao Xin. Children can recap the main stages of the story on pages 14-15, providing lots of speaking and listening opportunities.
