

Power & Greed - A Short History Of The World

By GIGANTES, Philippe

U.K / Constable & Robinson, 2003. Hardcover. Book Condition: New. No Jacket. According to the author the history of the world can be told as the story of greedy and power-hungry conquests. In spite of the efforts of leaders like Jesus or Buddha or Solon to offer principles of structure and order to societies, history has been shaped, he argues, by Grand Acquisitors who have broken society's rules in order to gain power. Then the author briefly surveys history's Grand Acquisitors, ranging from the Roman empress Agrippina (who manipulated her husband, the emperor Claudius, and her son, Nero, in her quest to rule) to the conquest of Latin America by Corts and Pizarro, to what he views as today's corporate exploitation of postcolonial countries. A 1st edition paperback in new condition. (258 pages & 13 pages of introduction).
