By Dr Kerry Wood

Whitaker House, United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English, Spanish . Brand New Book. Este libro no es un estudio de las características de las diferentes generaciones, sino mas bien un llamado de una generacion a otra, bien sea espiritual o cronologica, a captar la necesidad y la importancia practica de los dones del Espiritu, que son un fluir de la naturaleza compasiva de Dios para sanar a un mundo herido. En estas paginas encontrara descripciones y ejemplos de los dones, obstaculos que impiden su fluir, claves para cultivar una vida de fruto sobrenatural y una seccion de preguntas y respuestas.

*****Gifts of the Spirit for a New Generation is not a study of generational characteristics as much as it is a call for a new generation, whether spiritual or chronological, to grasp the necessity and practicality of the Spirit's gifts as the infinite overflow of God's compassion for broken humanity. Discover both the hindrances to the gifts and keys to cultivating a life of supernatural fruitfulness. Question and Answer section and Group Discussion questions included.
