## In Search of Nature

By Edward Osborne Wilson, Laura S Southworth

Island Press. Paperback. Book Condition: new. BRAND NEW, In Search of Nature, Edward Osborne Wilson, Laura S Southworth, Perhaps more than any other scientist of our century, Edward O. Wilson has scrutinized animals in their natural settings, tweezing out the dynamics of their social organization, their relationship with their environments, and their behavior, not only for what it tells us about the animals themselves, but for what it can tell us about human nature and our own behavior. He has brought the fascinating and sometimes surprising results of these studies to general readers through a remarkable collection of books, including *The Diversity of Life*, *The Ants*, *On Human Nature*, and *Sociobiology*. The grace and precision with which he writes of seemingly complex topics has earned him two Pulitzer prizes, and the admiration of scientists and general readers around the world. *In Search of Nature* presents for the first time a collection of the seminal short writings of Edward O. Wilson, addressing in brief and eminently readable form the themes that have actively engaged this remarkable intellect throughout his career. The central theme of the essays is that wild nature and human nature are closely interwoven. I argue that the only way to...
