Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: .not bear out that accusation; when he declared in his speech to the parliament last November that we are not and we will not be the instruments of any foreign political policy he was telling the truth. But France is the great reliance of those who are menaced by a possible future expansion of Germany; and perhaps the most difficult diplomatic duty of the Czechoslovak government in the past year or two has been the maintenance of good relations with France while deftly evading the constant efforts of French diplomacy to bend the succession states to the service of purely French, rather than common interest; to be a friend of France but not a servant. So far, that task has been performed with signal success. Leadership Among the Slavs. To the Slav, being a Slav is a kind religion, quite incomprehensible to those of other races. But the growth of Pan-Slavic sentiment among the western branches of the family was favored by reasons of a less mystical character. To the Slavs of the Balkans Russia was the deliverer from the Turkish terror and the Austrian menace; to the Czechoslovaks Russia was to be the liberator from Austrian and Magyar overlordship. The first Pan-Slavic congress was held in Prague in 1848, in the general ferment and pre-millennial expectations of the revolutionary year. Germany was struggling toward unity. Unfortunately, it was the theory of Pan-Germans of that day, as of this, that German unity ought to...
