Reviews

It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.
(Gerardo Bauch PhD)

I SEE THE SUN IN .AFGHANISTAN

Satya House Publications Inc. Paperback. Book Condition: new. BRAND NEW, I See the Sun in .Afghanistan, Dedie King, Judith Inglese, Mohd Vahidi, This text is in English and Afghan Farsi. It is suitable for ages 5 years and over. Through the eyes of a child, this book portrays a culture that emphasises patriarchal family, love of country and fierce loyalty to family and tribe. Although the story takes place against the backdrop of war, it is not political, but a simple story about one day in the life of a young girl. After waking before dawn, Habiba and her sister go out to fetch water. Following a breakfast of "khojur", she tags along with her brother and father as they bring the sheep to pasture. She goes to school outside with other girls; the boys attend school later in the day. Her family is preparing for cousins and an aunt and uncle to move in with them and Habiba wonders how everyone will fit into their small home. A country overview and glossary is included for parents and teachers who want to go beyond the story and talk more about Afghanistan and why it is important.
