

Beyond Stick Control: For the Snare and Drum Set Player (Paperback)

Filesize: 1.61 MB

Reviews

A really amazing ebook with lucid and perfect answers. It is really simplistic but excitement in the 50 % in the publication. I am just happy to explain how this is actually the best pdf i actually have study during my individual daily life and may be he greatest ebook for possibly.

Mel Bay Publications,U.S., United States, 2003. Paperback. Book Condition: New. 274 x 210 mm. Language: English . Brand New Book. Beyond Stick Control is the book that offers the snare and drum set player various eight bar solos to develop hand technique and hand/foot coordination. The book is divided into four sections: Part A: Hand Technique Development Studies, Part B: Hand/Foot Development, Part C: Ostinato Foot Pattern Development, and Part D: Linear Jazz Studies. The hand technique solos in part A serve as the foundation for the subsequent section B, C, and D. Through the use of accents, single and double strokes, paradiddles, paradiddle-diddles, swiss army triplets and their respective inversions (sticking displacement), the beginning to advanced drummer will greatly improve hand technique, stick and foot control and feel for their instrument. The companion CD contains recordings of the eight bar solos. This is a must for snare and drum set players who want to take their playing to a higher level.
