He s out for a jog trying to better himself--middle age has brought with it a paunch and high cholesterol--when he finds a discarded duffel bag full of money. A lot of money. 1.2 million dollars to be exact. Game-changing money. Life changing money. So much money that Stephen knows it will better his life and the lives of his wife and kids. He takes the money, ignoring the fact that the duffel bag he s found it in is bloodied and bullet pocked. What Stephen hasn t noticed out in the woods where he found the money is the bag man lying mortally wounded some distance off. But the dying man has seen Stephen, and when two out-of-town gun men arrive looking for the cash owed their boss, the last thing the bag man does before he expires is to tell them everything he knows. Including Stephen s description. The out-of-towners--who refer to themselves as Bandit and Snowman--are stone cold killers from down in New York City, sent to retrieve their boss money. What they quickly piece together is the crew that owed their boss the money was robbed by the dead bag man. They hook up with the crew, which is led by a young thug named Antoine. Sure, twan is a gangster, but he has ambition and skill. He wants to parlay the money he makes hustling into his career as a magician for children s parties. Snowman and Bandit tool around town with twan and his boys, hunting down leads that will show them the way to their money. Meanwhile, Stephen is already dreaming...
