MODELS FOR MOVERS: IRISH WOMEN'S EMIGRATION TO AMERICA

Cork University Press. Paperback. Book Condition: new. BRAND NEW, Models for Movers: Irish Women's Emigration to America, Ide O'Carroll, Models for Movers: Irish Women's Emigration to America is a unique collection of Irish women's oral histories spanning three waves of twentieth-century emigration to America in the 1920s, 1950s and 1980s. By combining a critical analysis of conditions for women in Ireland with women's own accounts of life at the time, the author Ide B. O'Carroll highlights the sheer necessity of emigration. If survival in Ireland was a tough proposition, especially for women, a place where patriarchs in families, church and state controlled women's lives, where education and paid work was limited, then America provided a lifeline to a relative freedom, and crucially, an opportunity to earn an independent income. After reading Models for Movers, we begin to appreciate just how far Irish society has come. At the heart of this book are the women's oral histories, the descriptions of ordinary/extraordinary women, an approach that brings to life the reality of women's lives in both places, in their own words. The approach was considered 'ground-breaking' at the time because of the absence of women from the story of Irish emigration. In fact, the Models for Movers tapes, photographs and papers formed the first holding on Irish women at the Schlesinger Library, Harvard University, the premier repository on the history of women in America. The oral histories detail how each woman created an independent life for herself in America, often in the face of multiple challenges there. As active agents, often supporting one another to leave, these Irish women are role models because they inspire us all to have the courage act. Whether it's Nora Joyce talking about life on the Aran Islands in the 1920s, or Terry Ryan describing inner-city Dublin in the...
