Xulon Press, United States, 2014. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.The Angel Gabriel is about to undertake the most significant mission of his life: To deliver the message of the Incarnation. It is news that will not only affect his life but will ultimately change the world forever. However, Gabriel is perplexed by the seeming impossibility of God becoming man. His natural longing to look into the mystery of the Incarnation eventually sends him on a holy quest in search for answers. Accompanied by his brother Rafael, supernatural modes of travel are used to cross time and space where they visit ancient prophets, wise men and other informants whom they hope will bring greater understanding to the God-Man mystery. A wildly rollicking adventure story, imaginatively penned by the Angel Gabriel. A scripturally accurate and insightful retelling of the age-old Christmas story from a unique perspective as any author might hope to write. The Coming is also a surprisingly fun journey through ancient messianic prophecy, as well as across a rich fantasy landscape, all leading toward the most momentous event in the history of the world.
