iUniverse. Paperback. Book Condition: New. Paperback. 108 pages. Dimensions: 9.0in. x 4.3in. x 0.3in.Yes, Im Theman. The boy wonder. People love me. Kids think Im cool. Girls are attracted to me. Kids parents think Im special. Im also full of it. I dont know for sure if any of this is true. But you know what I dont care. Its my story and Ill tell it any way I want. As long as I think these things are true, they are. It only matters in my mind. I have a knack for creating my own world. A lot of kids buy into it - they believe Im popular because I tell them I am. They dont know any better. The girls like it that I think they like me. I also work to convince many of them that I like them. And they like that. You see theres a lot of positive feelings going around. I like people. They like me. So everyones happy. Im nice about it, you know. Not cocky at all. I just believe my own press. I believe the reputation Ive created for myself. Of course there are some exceptions- guys who dont accept me for who and what I say I am. I dont know if theyre jealous or if I interfere with their desire to be perceived as cool and popular. Probably both. But I have subtle ways of making my detractors look like jerks. Or getting them blamed for things they didnt do. It all makes for a pretty darned good story. And fortunately for you, if youre reading this, Im going to share it with you. Before I start, let me give you a heads up. First, dont try this stuff yourself. It takes experts like me to make these things work....
