

Changing the Script: An Authentically Faithful and Authentically Progressive Political Theology for the 21st Century (Paperback)

Filesize: 2.56 MB

Reviews

This composed pdf is great. It usually will not cost too much. I am very easily can get a pleasure of reading a composed book.

(Luis Klein)

CHANGING THE SCRIPT: AN AUTHENTICALLY FAITHFUL AND AUTHENTICALLY PROGRESSIVE POLITICAL THEOLOGY FOR THE 21ST CENTURY (PAPERBACK)

Ig Publishing, United States, 2011. Paperback. Book Condition: New. Reprint. 208 x 137 mm. Language: English . Brand New Book. In recent years, and in particular since the election of Barack Obama, the religious conversation in America has been dominated by calls for progressives to move beyond partisanship by reaching out to evangelicals in order to create a big tent on social issues such as abortion and marriage equality, despite the lack of evidence that such a strategy can or ever did work. This misguided notion that we can build a shared political and religious center has for the most part shut out true progressive voices, allowing a small conservative minority to control the political and religious debate in this country, with only the most tepid of moral criticism from the religious centrists who claim to desire bipartisan consensus. In *Changing the Script*, Daniel Schultz, one of the leading progressive religious voices in America today, builds upon the insights of Old Testament scholar and theologian Walter Brueggemann to identify five scripts that exercise unseen power in our society: the therapeutic, technological, consumerist, militarist, and conformist. Confronting each of these scripts and the actions of both the Right and the Left that have allowed them to take root in our culture, Schultz voices a perspective that shows what an authentically progressive and authentically faithful religious ideal would truly look like. Daniel Schultz is a pastor in the United Church of Christ and co-founder of the blog *Street Prophets* (where he writes as pastordan. He has contributed to many online sites and publications and is a graduate of the Candler School of Theology at Emory University.
