

The goals and scope of European merger regulation. Acquisition of minority shareholdings

By Ziya Baghirzade

GRIN Verlag Gmbh Aug 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Academic Paper from the year 2014 in the subject Business economics - Law, grade: 2.0, Free University of Berlin, course: Master degree, language: English, abstract: The Merger Regulation as it stands only applies to transactions resulting in a lasting change of control. Economic theory and the Commission's experience suggest that non-controlling minority shareholdings may also in certain instances cause anticompetitive harm. The financial incentives and the influence on the target resulting from such minority stakes can raise competition concerns based on the same theories of harm as pursued under merger rules, namely unilateral or coordinated effects or input foreclosure. Unlike other competition authorities both inside and outside the EU (such as Germany, the United Kingdom, or the United States) the Commission currently has no opportunity to address such concerns where they are caused only by the acquisition of minority participations. The European Commission is looking forward to review and potentially revise its rules for reviewing minority share acquisitions under EU competition law. The European Commission is considering amending the EUMR to allow it to review certain...
