Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

THE ROMANTIC REVOLUTION

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Romantic Revolution, Tim Blanning, A compelling and persuasive account of how the Romantic Movement permanently changed the way we see things and express ourselves. Three great revolutions rocked the world around 1800. The first two - the French Revolution and the Industrial Revolution - have inspired the greatest volume of literature. But the third - the romantic revolution - was perhaps the most fundamental and far-reaching. From Byron, Wordsworth, Coleridge and Burns, to Beethoven, Wagner, Berlioz, Rossini and Liszt, to Goya, Turner, Delacroix and Blake, the romantics brought about nothing less than a revolution when they tore up the artistic rule book of the old regime. This was the period in which art acquired its modern meaning; for the first time the creator, rather than the created, took centre-stage. Artists became the high priests of a new religion, and as the concert hall and gallery came to take the place of the church, the public found a new subject worthy of veneration in paintings, poetry and music. Tim Blanning's sparkling, wide-ranging survey traces the roots and evolution of a cultural revolution whose reverberations continue to be felt today.
