Brand New Book ***** Print on Demand *****.In response to a request from Senator John McCain, chairman of the Committee on Commerce, Science, and Transportation, we issued a letter regarding our investigation into allegations that FAA officials destroyed an audiotape of air-traffic-controller witness statements created the morning of the 9-11 terrorist attacks. We found that five air traffic controllers who communicated with two of the hijacked aircraft on 9-11 made a previously undisclosed audiotape account of their actions that morning. The tape, made at the direction of a manager at the New York Air Route Traffic Control Center, was supposed to provide law enforcement with information until the controllers could write statements. No one outside the center was told the tape existed, and it was destroyed by another center manager.
