Book Condition: New. Publisher/Verlag: Simon & Schuster US | A novel. Winner of the Premio Ateneo de Sevilla 2008 | This rollicking page-turner with a cast of real and imagined literary characters and cunning intertwined plots stars a skeptical H.G. Wells as a time-traveling investigator. Characters real and imaginary come vividly to life in this whimsical triple play of intertwined plots, in which a skeptical H. G. Wells is called upon to investigate purported incidents of time travel and to save lives and literary classics, including Dracula and The Time Machine, from being wiped from existence. What happens if we change history? Félix J. Palma explores this provocative question, weaving a historical fantasy as imaginative as it is exciting-a story full of love and adventure that transports readers from a haunting setting in Victorian London to a magical reality where centuries collide and a writer's mind seems to pull at all the strings. | Format: Paperback | Language/Sprache: english | 300 gr | 720 pp.
