Rounding Third

By Walter G. Meyer

Paperback. Book Condition: New. Paperback. 274 pages.

Rounding Third is the story of Rob Wardell, a seventeen-year old who feels like he doesn't quite fit in anywhere--not at home, not at school and not on the baseball field. The small, shy boy stays on the high school baseball team only to please his father since he knows he will never get to play. He's living his life alone until he finds himself drawn into a friendship with the team's new star pitcher, Josh Schlagel. The two boys hit it off instantly; maybe it's because Josh isn't exactly welcomed by the team either. But as Rob and Josh grow closer and start spending more time together away from the field, Rob realizes that his friend is hiding something. The bruises on Josh's body and his reluctance to let Rob know about certain parts of his life have Rob suspicious. When Josh's secrets are finally revealed and become life-threatening, Rob and his family must step up to the plate. Rounding Third is a page turner and I couldn't put it down once I started reading. You find yourself deeply caring for the fate of the characters and moved by their struggle...
