Penguin Books India Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Home Remedies: v. 4, T. V. Sairam, The use of herbs from kitchens, fields and forests to alleviate pain and cure sickness has been known in India for centuries. Researched over three decades, the volumes in this series meticulously document many parallel and ancient traditions and systems, bringing together medicinal and cosmetic recipes, and the uses of individual plants to cure and comfort. Each herb is described in meticulous detail through its botanical profile, uses in particular ailments and notes on the preparation and dosage of each remedy. Forty common plants such as tea, amaltas, periwinkle, aparajita, coffee, custard apple, ash gourd, lemon grass, cotton, water lily and ashoka along with the not-so-familiar Jamaican thyme, Indian sorrel, ponnanganni and jujube are included in this book. A comprehensive bibliography of scientific articles, separate glossaries for English and non-English technical terms and detailed illustrations make it an easy-to-use reference guide for cures to common ailments. The final volume in the best-selling series "A compendium of the common sense of our people and distillation of our age-old scientific knowledge.[Home Remedies] are extremely useful volumes. --K.R. Narayanan, President of India 'The book is an exhaustive and scholarly work, which provides the reader a thesaurus of information in an attractive handbook.' --Deccan Herald.
