Createspace, United States, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Never before has a 200+ page been written on the topic of Jazz and Gospel music theory especially for non-readers. How ironic, considering how so many top level gospel players, and Jazz legends are non-readers. Written by Eddie Landsberg, creator of The 7 Secrets of Jazz and Soul Method, Eddie breaks down the rules of Jazz and Gospel chord and scale construction, and goes into a wide variety of chord progressions and other essentials necessary to be able to handle 100s if not 1000s of tunes on the spot by knowing nothing more than their changes. Chock full of information, the table of contents itself is 6 pages long. Consider this book an investment to launch a lifetime of musical inspiration. NOTE: Be sure to contact the publisher after you purchase it for links to free revisions, support and supplementary materials!!!.
