This book provides real talk about marriage! It will explore truths that every wife or wife to be needs to know and consider. Many women want to get married but they have not considered what it means to be found as a good thing! I have been a career oriented woman from the beginning of my 2nd marriage of 34 years. I have made many mistakes , but I promised the Lord that if he would help me to be a good Christian wife, I would share with other women what that looks like. God kept his side of the agreement and so it is time now for me to share what God has taught me. This book starts at knowing yourself, deals with unrealistic expectations, the skill of forgiveness and the abundant blessing of having sex in marriage! So for you brave souls who are willing to receive some insight and are honestly seeking wisdom on how to have a happy and successful marriage, read on.
